Highway Superintendent &
Commissioner of Public Works

Tod M. Ritzenthaler
Deputy Highway Superintendent

TOWN OF OGDEN BRUSH, STUMP AND RAKED LEAF PICK UP COLLECTION

Please remember the following when placing brush, stumps, and raked leaves by the curbside for pick up:

- ✓ Have all brush and stumps out to the curb by 7:00am Monday of the week of your quadrant pick up. Brush and stumps will be picked up using the quadrant system from April through October. (Quadrant listing available online at www.Ogdenny.gov under the highway page.)
- ✓ Beginning in November, raked leaves will be collected in every quadrant every week with vacuum trucks. All leaves must be raked to the edge of your property but not in the roadway.
- ✓ Prior to November, bagged leaves can be placed at the curbside with brush. (biodegradable bags only)
- ✓ DO NOT place brush, stumps, or raked leaves on anyone's property except for your own.
- ✓ DO NOT place brush, stumps, or raked leaves where they will be a sight distance problem for you, your neighbors, or other traffic.
- ✓ Stack brush parallel with the road.
- ✓ DO NOT place brush, stumps, or raked leaves under utility wires where our grapple or vacuum truck cannot reach, if possible.
- ✓ Brush and leaves will NOT be picked up if they are in barrels, trash cans or containers.
- ✓ DO NOT place brush piles, stumps, or raked leaves in the roadway or on the road shoulder.
- ✓ Place stumps separate from brush and leaf piles. They will be picked up separately.
- ✓ All stumps must be 90% free of all dirt and stones and no more than 6" in diameter.
- ✓ Contractors are not permitted to bring in any stumps from another location. They will NOT be picked up.
- ✓ Brush, stumps, or raked leaves from "lot clearing" due to any construction activity will NOT be picked up.
- ✓ DO NOT place ANY other debris with your brush, stumps or in your leaf piles. (Examples: metal, concrete, construction materials, wood with nails, junk, "Spring cleanup items" etc.) You must contact your personal waste hauler for all items except concrete. Contact our office for concrete removal.
- ✓ The Town does not pick up grass clippings.
